

### REMARKS

Applicant thanks the Examiner for allowing claims 11, 13-20, 22, 24, 26, 28, 33-41, and 43.

Claim 43 is objected to as being of improper dependent form for failing to further limit the scope of the subject matter of a previous claim. Although Applicant believes that the previously amended claim was further narrowed by restricting X or the combination of X and Y to a sulfur-containing group, the X and Y groups are now defined in the text of the claim to expedite its allowance.

### CONCLUSION

Applicants submit that the claims, as amended, are in condition for allowance, and such action is requested. If there are any charges or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,

Date:

April 26, 2005
